Town - City - Village Information for Inspection:

TCV CODE	TCV NAME
4616	Town of Hornby

REMARKS:

Gained access to shelter with key provided by the town highway department.

Internal walls of kennel have been covered with four feet high panels of impervious material. Rusted areas of the outside kennel framework and chain link will be painted and or replaced in the near future. The last inspection report citing this issue was not received by the town until November, leaving no suitable weather conditions to complete the project. Next inspection will be conducted in sixty days to ascertain that rusted areas have been addressed.
