Additional Information for Inspection:

Number of Animals:

Number of Dogs/Cats at premise: 11 cats over four months of age, five cats under four months of age; all dogs on premise are Article 7 dogs from City of Jamestown

REMARKS:

According to Article 26A, Section 401.5(c): Within five business days of receipt, but prior to sale of any dog or cat, the pet dealer shall have a duly licensed veterinarian conduct an examination and tests appropriate to the age and breed to determine if the animal has any medical conditions apparent at the time of the examination that adversely affect the health of the animal. For animals eighteen months of age or older, such examination shall include a diagnosis of any congenital conditions that adversely affect the health of the animal. Any animal diagnosed with a contagious disease shall be treated and caged separately from healthy animals.

A copy of the health certificate must be retained with sales/adoption records in order to determine compliance at the time of inspection.

According to Article 26A, Section 402 Records of purchase and sale: Each pet dealer shall keep and maintain records for each animal purchased, acquired, held, sold, or otherwise disposed of. The records shall include the following: 1. The name and address of the person from whom each animal was acquired. In the case of cats, if a cat is placed in the custody or possession of the pet dealer and the source of origin is unknown, the pet dealer shall state the source of origin as unknown, accompanied by the date, time, and location of receipt. Notwithstanding the provisions of this subdivision, no pet dealer shall knowingly buy, sell, exhibit, transport, or offer for sale, exhibition, or transportation any stolen animal. No pet dealer shall knowingly sell any cat or dog younger than eight weeks of age. 2. The original source of each animal if different than the person recorded in subdivision one of this section. 3. The date each animal was acquired. 4. A description of each animal showing age, color, markings, sex, breed, and any inoculation, worming, or other veterinary treatment or medication information available. Records shall also include any other significant identification, if known, for each animal, including any official tag number, tattoo, or implant. 5. The name and address of the person to whom any animal is sold, given, or bartered or to whom it is otherwise transferred or delivered. The records shall indicate the date and method of disposition.
