---

Additional Information for Inspection:

---

**Number of Animals:**

Number of Dogs/Cats at premise: 21 dogs

**REMARKS:**

According to Article 26A, 401.5 (a) the veterinary plan must dictate how the pet dealer is to medically treat dogs/ and cats. Any prescription medications on site (used preventively) must be accounted for in the vet plan. The Preventative medications may include but are not limited to: vaccines, deworming medications, and medications used for nebulizing, if there are any additional medications which are not included in the veterinary plan which are used to treat a specific illness, these must be clearly identified with a label from the attending veterinarian and individual animal information. If there is any deviation from the plan it must be documented in writing from attending vet. There must be a written signature log with dates showing a veterinarian has been to the facility at least once every 12 months.
