Additional Information for Inspection:

Number of Animals:

Number of Dogs/Cats at premise: 32 adult dogs and 12 puppies

REMARKS:

A strong urine odor was detected coming from two poodles housed in a rusted wire crate. It appeared that the male poodle urinates on the wires and the rust allowed hair and urine to accumulate. Ms. Hayes told me that she would replace the enclosure with a new wire crate that was immediately available and shown to this inspector.
