Additional Information for Inspection:

---

**Number of Animals:**

Number of Dogs/Cats at premise: 19 adults,

**REMARKS:**

Article 26A section 401.5 states that any pet dealer duly licensed pursuant to this article shall designate an attending veterinarian, who shall provide veterinary care to the dealer's animals which shall include a written program of veterinary care and regular visits to the pet dealer premises. Plan must be able to confirm veterinary services including emergency care, describe technique for daily observation, detail frequency of veterinary visits, dictate how and when pet dealer is to use medications including but not limited to vaccines, deworming medications and medications used for nebulizing. Any non-routine medications used must have written proof from an attending veterinarian. Exercise plan may be combined with veterinary care plan but must have a record or log must be kept as proof of veterinarian approved exercise plan is being carried out. Both Veterinary care plan and exercise plan must be signed by both veterinarian and pet dealer.
