Additional Information for Inspection:

Number of Animals:

Number of Dogs/Cats at premise: 17 adults, 12 pups

REMARKS:

All dogs 4 months of age or older must have a current license at all times. A written veterinary plan must be able to confirm veterinary services including emergency care, describe technique for daily observation, detail frequency of veterinary visits, what/how medical treatments are administered, and include an annual visit to the premises with an annual vet signature. A written exercise plan must document provisions made to provide exercise, where animals are exercised, and how often and must be signed annually maybe combined with veterinary plan. A complete information statement/disposition record, including a complete description (gender, color, breed, and/or individual identification if any) must be kept for each dog/cat sold. A complete receipt including consumer information and date of sale, must also be kept for each animal sold.
