REMARKS:

No one was found at the 215 Tremont Street address therefore an inspection of that premises, which is used to meet with adopters, was not possible.

Ms. McClennan was located at the Smith residence. Ms. McClennan and Mr. Smith stated they did not receive an Educational Visit Report in the mail. They also stated that they were seeking rescue status for the business. Ms. McClennan and Mr. Smith, when asked, stated that they did not generate the required documents that were discussed at the Educational Visit. The inspection was then terminated.

For purposes of this report, items that would be found at the Tremont Street premises are marked "Unable to inspect". Items applicable to required documentation are marked "Applicant stated no documents were generated". Items marked "No records inspected" are due to the termination of the inspection.

In regards to the item titled "other", the deficiency is due to the recent, and continual, advertisement of a number of puppies which are acquired from other sources and posted on Your Dream Puppy Acres web site.
