REMARKS:

Attempted inspection. No answer at house door or at garage door where dogs were heard barking. Tried to call owner with no answer at that time. No message was left. Owner called back later and verified that she was out of town and won't be back for 2 more days. When asked about vague availability for the upcoming week owner stated that she would be available any time next week except for 11/27 in the morning due to a vet appointment at 10am.
