- |                                                                                                                                                                                                                                                |     |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| <b>1. Shelter is structurally sound</b>                                                                                                                                                                                                        | Yes |
| <b>2. Housing area and equipment is sanitized regularly</b><br><i>Outdoor trash cans used for feces do not have lids.</i>                                                                                                                      | No  |
| <b>3. Repairs are done when necessary</b><br><i>All rusted kennels, cement floors/cracks, and exposed wood must be painted/sealed to allow for proper sanitation and disinfection. Front man-door is not secure, door frame visibly loose.</i> | No  |
| <b>4. Dogs are handled safely</b><br><i>Intact animals housed together.</i>                                                                                                                                                                    | No  |
| <b>5. Adequate space is available for all dogs</b><br><i>Dogs housed together in same run/enclosure.</i>                                                                                                                                       | No  |
| <b>6. Light is sufficient for observation</b>                                                                                                                                                                                                  | Yes |
| <b>7. Ventilation is adequate</b>                                                                                                                                                                                                              | Yes |
| <b>8. Drainage is adequate</b>                                                                                                                                                                                                                 | Yes |
| <b>9. Temperature extremes are avoided</b>                                                                                                                                                                                                     | Yes |
| <b>10. Clean food and water is available and in ample amount</b>                                                                                                                                                                               | Yes |
| <b>11. Veterinary care is provided when necessary</b>                                                                                                                                                                                          | Yes |
| <b>12. Dogs are euthanized humanely, by authorized personnel</b>                                                                                                                                                                               | Yes |
| <b>13. Complete intake and disposition records are maintained for all seized dogs</b>                                                                                                                                                          | Yes |
| <b>14. Dogs transferred for purposes of adoption in compliance with Article 7</b>                                                                                                                                                              | Yes |
| <b>15. Redemption period is observed before adoption, euthanasia or transfer</b>                                                                                                                                                               | Yes |
| <b>16. Owners of identified dogs are properly notified</b>                                                                                                                                                                                     | Yes |
| <b>17. Redeemed dogs are licensed before release</b>                                                                                                                                                                                           | Yes |
| <b>18. Proper impoundment fees paid before dogs are released</b>                                                                                                                                                                               | Yes |
| <b>19. Written contract or lease with municipality</b>                                                                                                                                                                                         | Yes |
