REMARKS:

Reviewed with DCO Hagner that even if there is no licensing entity in the municipality where a seized dog originated from (e.g. out of state, reservation, etc.), the dog still must have a current license in order to be released from the shelter per Article 7, Section 117.4. The dog can always be licensed to wherever it is currently harbored (e.g. a family member, campground/seasonal residence or friend's address) or even the town/city hall's address.
