## REMARKS:

Records must be complete at the time of inspection. This often is accomplished by communication between the municipal offices, the contracted shelter and the DCO. According to Article 7, Section 113.4, every dog control officer, peace officer, when acting pursuant to his special duties or police officer shall promptly make and maintain a complete record of any seizure and subsequent disposition of any dog. Such record shall include, but not be limited to, a description of the dog (including breed, sex, color, and age), the date and hour of seizure, the official identification number of such dog, if any, the location where seized, the reason for seizure, and the owner's name and address, if known.

According to Article 7, Sections 117.4 and 117.6, the DCO or shelter cannot release an "Article 7" dog unless the owner shows proof of a current license and proof that the correct impoundment fee has been paid; the new license number issued must also be recorded in order to determine compliance at the time of inspection. As discussed at the inspection, even if the dog is harbored in a different municipality or state, the owner must provide proof of licensing before release. A current license from another municipality/state is acceptable. If there is no licensing entity in the municipality where the dog is harbored, then the dog can always be licensed to wherever it is currently staying (e.g. a family member, campground/seasonal or friend's address) or even the town/city hall's address, but it MUST have a current license in order to be released.

Written contracts or lease agreements for shelter services for the Village of Fredonia and Town of Pomfret have not been provided for 2025.

According to Article 7 Section 114. Pounds and shelters,

1. Each town and city, and each village in which licenses are issued shall, and any other village and any county may, establish and maintain a pound or shelter for dogs.
2. In lieu of or in addition to establishing and maintaining such pound or shelter, any town or city, or any village in which licenses are issued shall, and any other village and any county may, contract for pound or shelter services with any other municipality or with any incorporated humane society or similar incorporated dog protective association, or shall establish and maintain, jointly or with one or more other municipalities, a pound or shelter.
