Town - City - Village Information for Inspection:

TCV CODE	TCV NAME
0202	Town of Allen
0218	Town of Granger

REMARKS:

All enclosures housing seized dogs must be structurally sound and kept in good repair to keep the dog contained and to protect it from injury. There must be no rust, jagged edges or sharp points. All surfaces within the primary enclosure must be replaced or repaired when worn or damaged. Dirty, rough and absorbent materials, protect microorganisms and are difficult to clean, disinfect and deodorize. Repair or replace damaged sections to prevent dogs from ingesting any materials that may come loose from chewing and clawing the enclosure. Wood must be sealed if used in primary enclosure to allow for proper cleaning and sanitization.
