REMARKS:

Article 7, Sections 117.4 and 117.6, the DCO or shelter cannot release an "Article 7" dog unless the owner shows proof of a current license and proof that the correct impoundment fee has been paid; the new license number issued must also be recorded in order to determine compliance at the time of inspection. Even if the dog is harbored in a different municipality or state, the owner must provide proof of licensing before release. A current license from another municipality/state is acceptable. If there is no licensing entity in the municipality where the dog is harbored, then the dog can always be licensed to wherever it is currently staying (e.g. a family member, campground/seasonal or friend's address) or even the town/city hall's address, but it **MUST** have a current license in order to be released to the owner.
