REMARKS:

Records for all dogs seized and held at the shelter for Article 7 reasons must be complete at the time of inspection. This often is accomplished by communication between the municipal offices, the contracted shelter and the DCO. According to Article 7, Section 113.4, every dog control officer, peace officer, when acting pursuant to his special duties or police officer shall promptly make and maintain a complete record of any seizure AND subsequent disposition of any dog. Such record shall include, but not be limited to, a description of the dog, the date and hour of seizure, the official ID number of such dog, if any, the location where seized, the reason for seizure, and the owner's name and address, if known.

According to Article 7, Sections 117.4 and 117.6, the DCO or shelter cannot release an "Article 7" dog unless the owner shows proof of a current license and proof that the correct impoundment fee has been paid; the new license number issued must also be recorded in order to determine compliance at the time of inspection.
