Town - City - Village Information for Inspection:

TCV CODE	TCV NAME
4614	Town of Greenwood

REMARKS:

The shelter has not been used since Rick Harrison resigned as DCO for the town of Greenwood. Gary Hadsell is the DCO/shelter manager for the town of Greenwood. It is anticipated that the town of Greenwood will contract with the town of Canisteo for shelter services and use the Greenwood shelter as an overflow/back-up facility. The interior of the shelter is in excellent shape. New aluminum sheeting has been placed on all the walls to facilitate cleaning and disinfection as well as to prevent dogs from chewing the walls.
