MUNICIPAL SHELTER INSPECTION REPORT - DL-90

Rating: **Satisfactory365** Purpose: **Inspection**

DATE/TOA: **2/26/13 11:35 am**

GENESEE COUNTY ANIMAL SHELTER
3841 W MAIN ST ROAD
BATAVIA NY 14020

Inspector #: **56**

These are the findings of an inspection of your facility on the date(s) indicated above:

1. Shelter is structurally sound Yes

2. Housing area and equipment is sanitized regularly Yes

The outer kennel area has some plywood walls that when sprayed with water the liquid does not bead up on the surface. Although not in direct contact with any animals, a sealant is recommended as it would make the surfaces impervious which would allow for thorough sanitation and faster drying times.

3. Repairs are done when necessary Yes

Staff has prepared a work order request for the county building department to affect some repairs including:

Dog kennel #3 has exposed sharp metal edges along the upper sections of the guiding tracks that position the guillotine door.

Dog kennel #14 has some areas above the concrete block where the wall sheeting has been torn away and the surface beneath exposed.

Kennels needing repairs are not used to house animals.

4. Dogs are handled safely Yes

5. Adequate space is available for all dogs Yes

6. Light is sufficient for observation Yes

7. Ventilation is adequate Yes

8. Drainage is adequate Yes

9. Temperature extremes are avoided Yes

10. Clean food and water is available and in ample amount Yes

11. Veterinary care is provided when necessary Yes

Batavia Animal Hospital, State Street Animal Hospital and veterinarians on staff at Genesee Community College (in an agreement established with the county) provided services.

12. Dogs are euthanized humanely, by authorized personnel Yes

Batavia Animal Hospital or veterinarians on staff at Genesee Community College (in an agreement established with the county) provided this service.

13. Complete intake and disposition records are maintained for all seized dogs Yes

14. Dogs transferred for purposes of adoption in compliance with Article 7 Yes

15. Redemption period is observed before adoption, euthanasia or transfer Yes

One dog was euthanized the same day it was seized due to health issues that required extensive medical care in order to make the dog comfortable. The examining veterinarian's report detailing the findings and warranting such action be taken is on file

16. Owners of identified dogs are properly notified Yes

17. Redeemed dogs are licensed before release Yes

18. Proper impoundment fees paid before dogs are released Yes

19. Written contract or lease with municipality Yes
