REMARKS:

The shelter is just an outdoor facility. Igloo dog houses are available for acclimated dogs. The shelter is clean and well maintained. Unacclimated dogs are housed in crates inside the house.

It is recommended that the drainage receptacle be kept free of debris and that the tarp to protect the dogs against the wind/weather replaced. Be sure to write the license number on the paperwork when dogs are redeemed. The numbers can be obtained from the town clerk and added to the redemption information.
