REMARKS:

Karen is in the process of building a new shelter. It will have 6 cages with indoor/ outdoor runs. It has ventilation fans built in with heat. The materials used appear to be easily disinfectable surfaces. Currently Karen is keeping the dogs in her house inside larges cages and she walks the dogs on a leash in her back yard. Karen has recently been appointed the DCO for the town of Amboy, dogs for Amboy are also sheltered with Karen.
