- |                                                                                                                                                                                                                                                      |     |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| <b>1. Shelter is structurally sound</b>                                                                                                                                                                                                              | Yes |
| <b>2. Housing area and equipment is sanitized regularly</b>                                                                                                                                                                                          | Yes |
| <b>3. Repairs are done when necessary</b>                                                                                                                                                                                                            | Yes |
| <i>It is recommended that cinder block walls in kennel areas be repaired where mortar between blocks is missing. Cinder block should also be coated with a waterproof sealant to prevent retention of liquids and allow for thorough sanitation.</i> |     |
| <b>4. Dogs are handled safely</b>                                                                                                                                                                                                                    | Yes |
| <b>5. Adequate space is available for all dogs</b>                                                                                                                                                                                                   | Yes |
| <b>6. Light is sufficient for observation</b>                                                                                                                                                                                                        | Yes |
| <b>7. Ventilation is adequate</b>                                                                                                                                                                                                                    | Yes |
| <b>8. Drainage is adequate</b>                                                                                                                                                                                                                       | Yes |
| <b>9. Temperature extremes are avoided</b>                                                                                                                                                                                                           | Yes |
| <b>10. Clean food and water is available and in ample amount</b>                                                                                                                                                                                     | Yes |
| <b>11. Veterinary care is provided when necessary</b>                                                                                                                                                                                                | Yes |
| <i>Dr. Peter Brown, Macedon Veterinary Care or Monroe Veterinary Associates provide care.</i>                                                                                                                                                        |     |
| <b>12. Dogs are euthanized humanely, by authorized personnel</b>                                                                                                                                                                                     | Yes |
| <i>Ed McGuigan and Linda Albanese are currently certified as Euthanasia Technicians through the NYS Health Department.</i>                                                                                                                           |     |
| <b>13. Complete intake and disposition records are maintained for all seized dogs</b>                                                                                                                                                                | Yes |
| <b>14. Dogs transferred for purposes of adoption in compliance with Article 7</b>                                                                                                                                                                    | Yes |
| <b>15. Redemption period is observed before adoption, euthanasia or transfer</b>                                                                                                                                                                     | Yes |
| <i>It was discussed that the redemption period is counted as five 24 periods from midnight to midnight.</i>                                                                                                                                          |     |
| <b>16. Owners of identified dogs are properly notified</b>                                                                                                                                                                                           | Yes |
| <b>17. Redeemed dogs are licensed before release</b>                                                                                                                                                                                                 | Yes |
| <b>18. Proper impoundment fees paid before dogs are released</b>                                                                                                                                                                                     | Yes |
| <b>19. Written contract or lease with municipality</b>                                                                                                                                                                                               | Yes |
