REMARKS:

There was one disposition record where a dog was not licensed before released, instead it was recorded as "Out of County" According to Article 7 section 117.4 all dogs must be licensed before they are released. "Out of County" or State is unacceptable and the owner either must show proof of a current license from their own township and county or the dog must get licensed in another town near where the shelter resides. This action will comply with the NYS dog licensing law.
