REMARKS:

DCO Dave Maynard and Asst. DCO Caroline Thompson manage the shelter.

Regarding impoundment fees: It was discussed that dogs are seized with the intent to impound them in order to receive proper care. Impoundment fees therefore may include a seizure fee as well as a boarding fee. In order to treat all persons fairly, impoundment fees must be collected by the proper person in the amount set forth in each municipality's local ordinance and contract with the shelter. It is recommended that any change in a fee be set by resolution of the towns' boards.
