REMARKS:

Layers of paint is peeling heavily. This may create pockets for organic matter to remain inside. I recommend stripping the paint off the floors and repainting with heavy duty paint for concrete.

According to Article 7 section 117.4 any municipality may not waive fees or charge less than the statutory rates for impoundment fees unless a local ordinance has been written. All dogs which are seized/ picked up a disposition report must be filled out and an impound fee collected even if returning the dog to the owner. All impound fees collected must be recorded somewhere with the disposition reports in order to determine this at the time of inspection.
