Town - City - Village Information for Inspection:

TCV CODE	TCV NAME
4305	Town of Conesville

REMARKS:

N/A=handled on DCO report.

There have been no seizures yet to house. Discussed with DCO the record keeping, requirements for releasing dogs to owners and subsequent disposition for unredeemed dogs. Reviewed Town of Conesville local dog law for impound/redemption fee information. Redemption/impound fees are property of the municipality and the DCO needs to discuss with the town if she is to collect them or the town clerk.

The shelter is owned by the Town and was moved from the previous DCO's premise. There is no heat for the winter months. The DCO has a large dog crate in the heated basement at her residence which I inspected and will be satisfactory to house a dog in the winter months.
