- |                                                                                                                                                                                                           |     |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| <b>1. Shelter is structurally sound</b>                                                                                                                                                                   | Yes |
| <b>2. Housing area and equipment is sanitized regularly</b>                                                                                                                                               | Yes |
| <b>3. Repairs are done when necessary</b>                                                                                                                                                                 | No  |
| <i>In both sets of runs there are large gaps/holes inside and outside the guillotine doors that need to be repaired. These repairs are essential to be able to properly disinfect to prevent disease.</i> |     |
| <b>4. Dogs are handled safely</b>                                                                                                                                                                         | Yes |
| <b>5. Adequate space is available for all dogs</b>                                                                                                                                                        | Yes |
| <b>6. Light is sufficient for observation</b>                                                                                                                                                             | Yes |
| <b>7. Ventilation is adequate</b>                                                                                                                                                                         | Yes |
| <b>8. Drainage is adequate</b>                                                                                                                                                                            | Yes |
| <b>9. Temperature extremes are avoided</b>                                                                                                                                                                | Yes |
| <b>10. Clean food and water is available and in ample amount</b>                                                                                                                                          | Yes |
| <b>11. Veterinary care is provided when necessary</b>                                                                                                                                                     | Yes |
| <b>12. Dogs are euthanized humanely, by authorized personnel</b>                                                                                                                                          | Yes |
| <b>13. Complete intake and disposition records are maintained for all seized dogs</b>                                                                                                                     | Yes |
| <b>14. Dogs transferred for purposes of adoption in compliance with Article 7</b>                                                                                                                         | Yes |
| <b>15. Redemption period is observed before adoption, euthanasia or transfer</b>                                                                                                                          | Yes |
| <b>16. Owners of identified dogs are properly notified</b>                                                                                                                                                | Yes |
| <b>17. Redeemed dogs are licensed before release</b>                                                                                                                                                      | Yes |
| <b>18. Proper impoundment fees paid before dogs are released</b>                                                                                                                                          | Yes |
| <b>19. Written contract or lease with municipality</b>                                                                                                                                                    | Yes |
