REMARKS:

Attempted inspection. Light in shelter was on with a radio playing. Unable to see if a dog was present or not. Message left for DCO via phone and via text. DCO replied via text a few minutes later that she was out of town at that time and unable to do an inspection. DCO stated she would be available the rest of the week. Inspector verified that anytime after 10am was still the best time of day with DCO. Will try again later this week.
