REMARKS:

One seized dog was found to have died when it managed to squeeze itself partly under the frame of the chainlink outdoor DCO/Isolation exercise enclosure. It was reported to have been found dead by shelter staff a short time after having been placed there while its indoor kennel was being cleaned. The inspector advised that this enclosure is not to be used until it can be made more secure or is replaced. Signage was placed on the kennel to notify staff & DCOs to prevent use until the enclosure is repaired or replaced.
