No contract for primary shelter services for the Town of Broome. The town did sign a contract, but the contract read ' the ASSV would take the dogs after five days at the towns primary shelter' and the town does not have a primary shelter to hold the seized dogs before going to ASSV. The Town of Broome needs to sign a primary shelter contract with ASSV so the DCO has access immediately upon the seizure of an Article 7 dog. I suggest any contract signed in the near future have an expiration date of December 31, 2022.
