Town - City - Village Information for Inspection:

TCV CODE	TCV NAME
0427	Town of Portville

REMARKS:

Shelter consists of a block building located on the east side of the town hall. I started inspecting this building in approximately 1984, with few renovations such as increased ventilation, since then.
Lights are available but due to location of shelter, natural light is limited.
Floors were very clean with no hair or food debris.
