---

An inspection was done of your facility on the date(s) indicated above.

---

---

Additional Information for Inspection:

---

REMARKS:

**NYS Shelter Rescue laws, regulations and requirements were reviewed.**

**In the back room overflow area, the window trim is in need of repair. Additionally, the wooden material located at the bottom of the cages must be replaced with an impervious material to allow for proper cleaning and disinfection.**

REPRESENTATIVE PRESENT FOR INSPECTION: **Lorraine Forster**
