# 1. INTRODUCTION

## 1.1 OVERVIEW

The New York State Department of Agriculture and Markets (the Department) owns and manages the New York State Fairgrounds in the Town of Geddes, Onondaga County, New York (the Fairgrounds). The Fairgrounds hosts the New York State Fair, which is held each year for twelve days ending on Labor Day, as well as other year-round events. Other events include the Syracuse Nationals car show and the K-Rockathon music festival.

The Department is seeking bids from federally or state regulated financial institutions or independent sales/service organizations (ISOs) affiliated with or sponsored by a federally or state regulated financial institution, to provide, install, operate, maintain and service automatic teller machines (ATMs) or cash dispensing units at various locations on the Fairgrounds. Over the last four years, average attendance at the State Fair has been 894,841 visitors per year. In each of the last two years, there were roughly 30,000 ATM transactions during the 12-day State Fair (approximately 28,500 transactions in 2013 and approximately 32,850 transactions in 2014). Other events on the Fairgrounds during the last two years have accounted for a total of 15,000 additional ATM transactions. The Department provides these figures for informational purposes only. They are estimates, and the Department makes no representation as to their accuracy or predictive relevance.

## 1.2 IFB GOAL

The objective of this IFB is to retain a federally or state regulated financial institution or independent sales/service organization (ISO) affiliated with or sponsored by a federally or state regulated financial institution, to provide, install, operate, maintain and service automatic teller machines (ATMs) or cash dispensing units at various locations on the Fairgrounds.

## 1.3 TERM

The contract resulting from this IFB will be for a five (5) year term. The contract will begin on August 1, 2015 and end on July 31, 2020.

IFB #0121: AUTOMATIC TELLER MACHINE (ATM)/CASH DISPENSING UNIT PROVISION,  
OPERATION AND SERVICE

**2. DESCRIPTION OF WORK TO BE PERFORMED**

**2.1 PREMISES**

The New York State Fairgrounds is a 375-acre site that is home to the annual New York State Fair and other year-round events.

**2.2 SCOPE OF WORK**

The selected contractor shall have the right and obligation to provide, install, operate, maintain and service ATMs or cash dispensing units at the Fairgrounds for the contract period. The selected contractor will have the exclusive right and obligation to provide ATMs or cash dispensing units and related services at the Fairgrounds, except that it shall not have the exclusive right to place and service ATMs or cash dispensing units in the area referred to as the Midway. The Midway is depicted in the map attached to this IFB as Exhibit 2. At the termination of the contract period, the selected contractor shall remove all ATMs/cash dispensing units from the Fairgrounds. The fees bid by the selected contractor under section 3.5 shall be firm throughout the contract period, and shall apply to all ATMs/cash dispensing units provided by the selected contractor, regardless of the event or total number of ATMs/cash dispensing units provided.

**2.2.1 LOCATIONS**

A. Year Round Location

One (1) permanent ATM or cash dispensing unit shall be located adjacent to the Box Office at Gate 1.

B. April – October Location

One (1) permanent ATM or cash dispensing unit shall be located in the vicinity of the Coliseum restaurant between April to October. The precise location of the ATM or cash dispensing unit will be determined by the Department.

C. November – March Location

The one (1) permanent ATM or cash dispensing unit placed in the vicinity of the Coliseum restaurant shall be moved from the Coliseum and installed in the main entrance lobby of the Center of Progress Building.

D. Annual State Fair Locations

At least thirty (30) additional ATMs or cash dispensing units shall be placed at locations around the Fairgrounds during the annual State Fair, which runs each year for a twelve (12) day period ending on Labor Day. The Fair will be held August 27 to September 7, 2015; August 25 to September 5, 2016; August 24 to September 4, 2017; August 23 to September 3, 2018, and; August 22 to September 2, 2019. The ATM/cash dispensing unit locations will be determined by the Department, provided that the selected contractor may object to locations considered unsafe or technologically infeasible, in which case the selected contractor will be responsible for finding an alternative location as close as possible to the Department's initial choice. Refusal to provide the required number of ATMs

DEPARTMENT OF AGRICULTURE AND MARKETS

OPERATION AND SERVICE

or cash dispensing units will be considered a breach of contract, and will result in the loss of the selected contractor's right to provide ATMs or cash dispensing units and related services. The Department reserves the right to request up to five (5) additional temporary ATMs or cash dispensing units at the New York State Fair.

The selected contractor will not place temporary ATMs or cash dispensing units in the area of the Fairgrounds referred to as the "Midway," unless the Department specifically authorizes such placement. The Midway is depicted in the map attached to this IFB as Exhibit 1.

The selected contractor shall install the temporary ATMs or cash dispensing units at least three (3) days before the opening day of the Fair during each calendar year and remove the temporary ATMs or cash dispensing units no later than one (1) day after the close of the State Fair each year.

E. Event Locations

The selected contractor shall provide, install, operate and maintain such temporary ATMs or cash dispensing units as may be requested by the Department during other events. The Syracuse Nationals Car Show, held in July each year, will require no more than ten (10) temporary ATMs or cash dispensing units. All other regularly scheduled events should require no more than four (4) ATMs or cash dispensing units. If a special event requiring more than four (4) ATMs or cash dispensing units is scheduled during the contract term, the Department will provide the selected contractor with at least 30 days notice of the number of ATMs or cash dispensing units required. In no event will the Department require the selected contractor to provide more than ten (10) temporary ATMs or cash dispensing units at a non-State Fair event.

The locations of ATMs or cash dispensing units will be determined by the Department, provided that the selected contractor may object to a location considered unsafe or technologically infeasible, in which case the selected contractor will be responsible for finding an alternative location as close as possible to the Department's initial choice. Refusal to install any ATMs or cash dispensing units at an event will be considered a breach of contract, and will result in the loss of the selected contractor's right to provide ATMs or cash dispensing units and related services.

A list of 2014 events held on the NYS Fairgrounds and estimated attendance figures and number of transactions and machines, is attached as Exhibit 2 to this IFB. Events may be added or discontinued at the Department's sole discretion. The Department reserves the right to modify the number of ATMs or cash dispensing units requested at each event, within the estimated ranges described in this section.

**4. EVALUATION**

**4.1 CONSIDERATION**

For a bidder to be eligible for consideration, it must meet the Minimum Qualifications. For the bid response to be evaluated, the bidder must certify that it will meet the Mandatory Contract Requirements.

**4.2 DETERMINATION OF BID AWARD**

The contract will be awarded to the bidder that receives the highest number of points (highest bid score) pursuant to Section 4.2.1 and 4.2.2 based on the following two equally weighted factors: (1) the amount that the selected contractor will charge visitors to the State Fairgrounds for each ATM/cash dispensing unit transaction (Item 1); and (2) the amount that the selected contractor will pay the State of New York for each ATM/cash dispensing unit transaction (Item 2).

**4.2.1 ITEM 1 ASSESSMENT (50%)**

Up to 50 points will be awarded for Item 1. The lowest per transaction fee under Item 1 will receive the full 50 points. All other bids under Item 1 will receive points based on the lowest bid. The number of points will be determined by dividing the lowest bid by the bid being evaluated, rounding the resulting decimal to two places, and multiplying that decimal by 50. Please see Section 4.2.4 for bidding example.

**4.2.2 ITEM 2 ASSESSMENT (50%)**

Up to 50 points will be awarded for Item 2. The highest per transaction fee under Item 2 will receive the full 50 points. All other bids under Item 2 will receive points based on the highest bid. The number of points will be determined by dividing the bid being evaluated by the highest bid, rounding the resulting decimal to two places, and multiplying that decimal by 50. Please see Section 4.2.4 for bidding example.

**4.2.3 DETERMINATION OF HIGHEST BID SCORE**

The bid score will be determined by adding the points awarded under the Item 1 assessment to the points awarded under the Item 2 assessment. The bidder with the highest aggregate bid score will be considered the winning bidder. In the event of a tie for highest aggregate score, the bidder who is part of the tie with the highest Item 2 score will be considered the winning bidder. In the event that multiple bidders have the lowest aggregate bid score and identical bids, the winning bidder will be determined by coin flip.

**5.3 CONTRACTOR REQUIREMENTS AND PROCEDURES FOR EQUAL EMPLOYMENT AND BUSINESS PARTICIPATION OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND NEW YORK STATE CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES**

**POLICY STATEMENT**

The New York State Department of Agriculture and Markets (AGM), as part of its responsibility, recognizes the need to promote the employment of minority group members and women and to ensure that certified minority and women-owned business enterprises have opportunities for maximum feasible participation in the performance of AGM contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York" ("the Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority and women-owned business enterprises in state procurement contracting versus the number of minority and women-owned business enterprises that were ready, willing and able to participate in state procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that AGM establishes goals for maximum feasible participation of New York State Certified minority and women-owned business

DEPARTMENT OF AGRICULTURE AND MARKETS  
IFB #0121: AUTOMATIC TELLER MACHINE (ATM)/CASH DISPENSING UNIT PROVISION,  
OPERATION AND SERVICE

enterprises ("MWBE") and the employment of minority groups members and women in the performance of New York State contracts.

**EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS**

By submission of a bid in response to this solicitation, the Bidder/Contractor agrees with all of the terms and conditions of Appendix A, "Standard Clauses for New York State Contracts," including Clause 12 - Equal Employment Opportunities for Minorities and Women. The Contractor is required to ensure that it and any subcontractors awarded a subcontract over \$25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to this Contract; or (ii) employment outside New York State.

Bidder further agrees to submit with the bid an equal employment opportunity staffing plan on **Form MWBE/EEO2** identifying the anticipated work force to be utilized on the Contract and if awarded a contract, will, upon request, submit to AGM, a workforce employment utilization report on **Form MWBE/EEO3**, identifying the workforce actually utilized on the Contract if known.

Further, pursuant to Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex (including gender expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

**BUSINESS PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED MINORITY AND WOMEN- OWNED BUSINESS ENTERPRISES (MWBEs)**

**A. MWBE CONTRACT GOALS**

For purposes of this procurement, AGM hereby establishes a goal of **15%** for Minority-owned Business Enterprises (MBE) participation and **15%** for Women-owned Business Enterprises (WBE) participation (collectively referred to as MWBE) for a total Contract MWBE goal of **30%**. The total Contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract. The directory of New York State Certified MWBEs can be viewed at: <https://ny.newnycontracts.com/frontend/diversityusers.asp>. Questions regarding compliance with MWBE participation goals should be directed to the AGM Office for Minority and Women Owned Business Enterprises Designated Contacts identified in the MWBE/EEO Submission Documents.

A Contractor must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of this Contract (see clause E below) and ensure that the MWBEs utilized under the Contract perform commercially useful functions (see clause B below).

DEPARTMENT OF AGRICULTURE AND MARKETS  
IFB #0121: AUTOMATIC TELLER MACHINE (ATM)/CASH DISPENSING UNIT PROVISION,  
OPERATION AND SERVICE

Contractor agrees that AGM may withhold payment pending receipt of the required MWBE documentation.

**B. COMMERCIALY USEFUL FUNCTION REQUIREMENT**

Pursuant to 5 NYCRR § 140.1(f), a MWBE performs a commercially useful function when it is responsible for execution of the work of the contract and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, a MWBE must, where applicable and in accordance with any State Agency specifications, also be responsible, with respect to materials and supplies used on the contract, for ordering and negotiating price, determining quality and quantity, and installing. A MWBE does not perform a commercially useful function if its role adds no substantive value and is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of participation. AGM will assess whether a MWBE is performing a commercially useful function by considering the following:

- (1) the amount of work subcontracted;
- (2) industry practices;
- (3) whether the amount the MWBE is to be paid under the contract is commensurate with the work it is to perform;
- (4) the credit claimed towards MWBE utilization goals for the performance of the work by the MWBE; and,
- (5) any other relevant factors.

**C. By submitting a bid, Bidder/Contractor agrees to the following:**

**(1) Breach of Contract and Liquidated Damages**

In accordance with 5 NYCRR §142.13, Bidder/Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such finding constitutes a breach of Contract and AGM may withhold payment from the Contractor as liquidated damages. Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and, (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

**(2) Utilization Plan**

a. **Bidders are required to submit a completed MWBE Utilization Plan on Form MWBE/EEO4 with their bid.** The Utilization Plan shall list the MWBEs the Contractor intends to use to perform the State Contract, a description of the Commercially Useful Function the Contractor intends the MWBE to perform to meet the goals on the State Contract, the estimated or, if known, actual dollar amounts to be paid to a MWBE, and performance dates of each component of a State Contract that the Contractor intends to be performed by a MWBE. By signing the Utilization Plan, the Bidder acknowledges that the utilization of MWBEs that do not perform commercially useful functions may not be counted as

meeting the MWBE goals of the Contract; and, that making false representations or including information evidencing a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by NYS Certified MWBEs after the Contract Award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to AGM.

b. AGM will review the submitted MWBE Utilization Plan and advise the awarded Bidder of AGM acceptance or issue a notice of deficiency within twenty (20) days of receipt.

c. If a notice of deficiency is issued; Bidder agrees that it shall respond to the notice of deficiency, within seven (7) business days of receipt, by submitting to AGM a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by AGM to be inadequate, AGM shall notify the Bidder and direct the Bidder to submit, within five (5) business days of notification by AGM, a request for a partial or total waiver of MWBE participation goals on **Form MWBE/EEO5**. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

**(3) AGM may disqualify a Bidder's bid as being non-responsive under the following circumstances:**

- (a) If a Bidder fails to submit a MWBE Utilization Plan;
- (b) If a Bidder fails to submit a written remedy to a notice of deficiency;
- (c) If a Bidder fails to submit a request for waiver; or
- (d) If AGM determines that the Bidder has failed to document good faith efforts.

**D. Request for Waiver**

(1) A Bidder who is able to document good faith efforts to meet the goal requirements, as set forth in clause E below, may submit a request for a partial or total waiver on **Form MWBE/EEO5**, accompanied by supporting documentation, at the same time it submits its MWBE Utilization Plan. If a request for waiver is submitted with the MWBE Utilization Plan and is not accepted by AGM at that time, the provisions of clauses C(2)(b& c) and C(3) above will apply.

(2) Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to AGM, but must be made no later than prior to the submission of a request for final payment on the Contract.

**(3) Prior to submission of a request for a partial or total waiver, Bidder/Contractor shall speak to the AGM Office for Minority and Women Owned Business Enterprises Designated Contacts identified in the MWBE/EEO Submission Documents.**

**E. Required Good Faith Efforts**

Pursuant to 5 NYCRR § 142.8, evidence of required good faith efforts shall include the following:

Provide proof of dates or copies of the solicitations and copies of the responses made by the certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with or obtaining supplies from certified MWBEs. Describe specific reasons that responding certified MWBEs were not selected.
- (3) Descriptions of the Contract documents/plans/specifications made available to certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with or obtaining supplies from certified MWBEs.

- (5) Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by AGM with certified MWBEs whom AGM determined were capable of fulfilling the MWBE goals set in the Contract.

**F. Quarterly MWBE Contractor Compliance Report**

Contractors are required to submit a Quarterly MWBE Contractor Compliance Report on Form MWBE/EEO6 to AGM by the 10<sup>th</sup> day following each end of quarter over the term of the Agreement documenting the progress made towards achievement of the MWBE goals of the Agreement. Contractors will also be required to submit utilization plans, request subcontractors, and communicate with their project manager throughout the term of the Agreement using the New York State Contract System (“NYSCS”). The NYSCS is the tool that New York State uses to monitor MWBE participation in state contracting. More information on reporting responsibilities and use of the NYSCS is included in the Submission Documents and is available on the NYSCS website (<https://ny.newnycontracts.com>).

**Please Note:** Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract. **ALL FORMS ARE INCLUDED IN THE SUBMISSION DOCUMENTS AND ARE ALSO AVAILABLE AT: <http://www.agriculture.ny.gov/MWBE.html>.**

**5.7 NEW YORK LAW**

The provisions of New York law shall apply to the contract and to all claims, actions and other proceedings arising out of the contract.

**5.8 REQUIRED APPROVALS**

Any contract award resulting from this solicitation will be subject to the approval of the Office of the Attorney General of the State of New York and the Office of the State Comptroller of the State of New York.

**5.9 VENDOR RESPONSIBILITY AND NYS VENDOR ID**

**Prime Contractors:**

State law requires that the award of state contracts be made to responsible vendors. Before an award is made to a not-for-profit entity, a for-profit entity, a private college or university or a public entity not exempted by the Office of the State Comptroller, the Department must make an affirmative responsibility determination. The factors to be considered include: legal authority to do business in New York State; integrity; capacity- both organizational and financial; and previous performance. Before an award of \$100,000 or greater can be made to a covered entity, the entity will be required to complete and submit a Vendor Responsibility Questionnaire. Public Authorities, BOCES, public colleges and universities are some of the exempt entities. For a complete list, see:

[http://www.osc.state.ny.us/vendrep/resources\\_dcreq\\_agency.htm](http://www.osc.state.ny.us/vendrep/resources_dcreq_agency.htm)

All bidders must fully and accurately complete the Vendor Responsibility Questionnaire (hereinafter the "Questionnaire"). All bidders acknowledge that the Department's execution of the Contract will be contingent upon the Department's determination that the bidder is responsible, and that the Department will be relying upon the bidder's responses to the Questionnaire in making that determination. If it is found by the Department that a bidder's responses to the Questionnaire were intentionally false or intentionally incomplete, the Department may terminate the contract by providing ten (10) days written notification to the contractor. In no case shall such termination of the contract by the Department be deemed a breach thereof, nor shall the Department be liable for any damages for lost profits or otherwise, which may be sustained by the contractor as a result of such termination.

NOTE: Bidders are encouraged to file the Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at [www.osc.state.ny.us/vendrep](http://www.osc.state.ny.us/vendrep) or go directly to the VendRep System online at <https://portal.osc.state.ny.us/wps/portal>.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at [ciohelpdesk@osc.state.ny.us](mailto:ciohelpdesk@osc.state.ny.us).

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website [www.osc.state.ny.us/vendrep](http://www.osc.state.ny.us/vendrep) or may contact the Department or the Office of the State Comptroller's Help Desk for a copy of the paper form.

**Note: Bidders must acknowledge their method of filing their questionnaire by checking the appropriate box on the Response Sheet for Bids (Submission Documents).**

**5.10 COST LIABILITY**

**5.11 FREEDOM OF INFORMATION**

The selected contractor's bid response and any contract resulting from this solicitation are subject to the provisions of Article 6 of New York State Public Officers Law, the Freedom of Information Law (NY FOIL). It is the responsibility of the Bidder to designate which components of the bid response are proprietary business information to be withheld from disclosure. A bidder may not designate its entire bid response as confidential, proprietary or copyrighted.

**5.12 PROCUREMENT LOBBYING LAW**

Pursuant to State Finance Law Sections 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between the Department of Agriculture and Markets and an offerer/bidder during the procurement process. (See Attachment 8 -- "Guidelines Regarding Permissible Contacts During a Procurement and the Prohibition of Inappropriate Lobbying Influence"). An offerer/bidder is restricted from making contacts from the earliest written notice, advertisement or solicitation of the IFB through final award and approval of the Procurement Contract by the Department, and, if applicable, Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law Section 139-j(3)(a). Designated staff, as of the date hereof, are identified in this solicitation. Department employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four year period, the offerer/bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found in the Department's Guidelines, which are attached, and on the Office of General Services Website at <http://www.ogs.state.ny.us/aboutOgs/regulations/defaultAdvisoryCouncil.html>.

**5.13 RECOMMENDED SUBMISSIONS**

The following forms are not required to be submitted with the bid response. Nevertheless, Bidders are encouraged to submit these forms in order to expedite contract execution if the bidder is awarded the contract.

**AGM Substitute Form W-9**

Any payee/vendor/organization receiving Federal and/or State payments from the Department must complete the Substitute Form W-9 if they are not yet registered in the Statewide Financial System centralized vendor file.

We ask for the information on the Substitute Form W-9 to carry out the Internal Revenue laws of the United States.

**Workers' Compensation Coverage and Debarment**

New York State Workers' Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements which provide for the debarment of vendors that violate certain sections of WCL. The WCL requires, and has required since introduction of the law in 1922, the heads of all municipal and State entities to ensure that businesses have appropriate workers' compensation and disability benefits insurance coverage *prior* to issuing any permits or licenses, or *prior* to entering into contracts.

Workers' compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers' Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL.

Under provisions of the 2007 Workers' Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers' Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

**PROOF OF COVERAGE REQUIREMENTS**

DEPARTMENT OF AGRICULTURE AND MARKETS

IFB #0121: AUTOMATIC TELLER MACHINE (ATM)/CASH DISPENSING UNIT PROVISION,

The Workers' Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers' compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL. *Please note – an ACORD form is not acceptable proof of New York State workers' compensation or disability benefits insurance coverage.*

**Proof of Workers' Compensation Coverage**

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers' compensation insurance coverage:

- **Form C-105.2** – Certificate of Workers' Compensation Insurance issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or
- **Form SI-12**– Certificate of Workers' Compensation Self-Insurance; or **Form GSI-105.2** Certificate of Participation in Workers' Compensation Group Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage.

**Proof of Disability Benefits Coverage**

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- **Form DB-120.1** - Certificate of Disability Benefits Insurance; or
- **Form DB-155**- Certificate of Disability Benefits Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Coverage.

Tax Law § 5-a requires contractors awarded State contracts for commodities or services valued at more than \$100,000 over the full term of the contract to certify to the New York State Department of Taxation and Finance (“DTF”) that they are registered to collect New York State and local sales and compensating use taxes, if they made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, measured over a specific period of time. The registration requirement applies if the contractor made a cumulative total of more than \$300,000 in sales during the four completed sales tax quarters which immediately precede the sales tax quarter in with the certification is made. Sales tax quarters are June – August, September – November, December – February, and March – May.
