

Questions Regarding Nutrition Slide Guide Bid

June 10, 2008 Bid Opening June 17, 2008

1. What is the composition of the inside slide?

The inside slide should be 12 pt. coated on both sides. The outside sleeve should be 12 pt but need only be coated on the exterior.

2. What quantity of English and Spanish make up the 50,000 or 100,000 quantities for which bids are being solicited?

Approximately 80 percent of the quantity will be English with the balance being Spanish. For the 50,000 quote bid that would be approximately 40,000 English and 10,000 Spanish and for the 100,000 quote that would be approximately 80,000 English and 20,000 Spanish. Both versions will be supplied on disk.
