Pursuant to State Finance Law Sections §139-j and §139-k, this solicitation includes and imposes certain restrictions on communications between the Department of Agriculture and Markets. ("Department") and a vendor/contractor during the procurement process. A vendor/contractor is restricted from making contacts from the earliest notice of intent to solicit bids/proposals through final award and approval of the contract by the Department, and, if applicable, Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law Section §139-j(3)(a). Designated staff is identified in this solicitation. Department employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the vendor/contractor pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two such findings within a four year period, the vendor/contractor is debarred from obtaining governmental procurement contracts. Further information about these requirements can be found on the Office of General Services Website http://www.ogs.state.ny.us/aboutOgs/regulations/defaultAdvisoryCouncil.html

The Department reserves the right to terminate a contract in the event it is found that the certification filed by the Offerer in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, the Department may exercise its termination right by providing written notification to the Offerer in accordance with the written notification terms of the contract.

- 3. The fulfillment of obligations by the Firm, as proposed in the response, does not and will not compromise the Firm's ability to carry out its obligations under any existing contracts between the Firm and the State;

- 5. During the negotiation and execution of any contract resulting from this IFB, the Firm will not knowingly take any action or make any decision which creates a potential for conflict of interest or might cause a detrimental impact to the State as a whole including, but not limited to, any action or decision to divert resources from one State project to another;
- 6. In fulfilling obligations under each of its State contracts, including any contract which results from this IFB, the Firm will act in accordance with the terms of each of its State contracts and will not knowingly take any action or make any decision which might cause a detrimental impact to the State as a whole including, but not limited to, any action or decision to divert resources from one State project to another;
- 7. No former officer or employee of the State who is now employed by the Firm, nor any former officer or employee of the Firm who is now employed by the State, has played a role with regard to the administration of this contract procurement in a manner that may violate section 73(8)(a) of the State Ethics Law; and

Firms responding to this IFB should note that the State recognizes that conflicts may occur in the future because a Firm may have existing or new relationships. If you do not have a number or if the account is in more than one name, refer to IRS W-9 instructions for additional information.

- 1. **Taxpayer Identification Number:** Enter your nine-digit Social Security Number, Individual Taxpayer Identification Number (ITIN) or Employer Identification Number (EIN).

Corporations are exempt from backup withholding for certain types of payments. Refer to IRS Form W-9 instructions for additional information. The signature should be provided by the individual, owner, officer, legal representative, or other authorized person of the entity listed on the form. Certain exceptions to the signature requirement are listed in the IRS instructions for form W-9.

Part V: Contact Information

Your MWBE Utilization and Reporting Responsibilities Under Article 15-A

The New York State Contract System ("NYSCS") is your one stop tool compliance with New York State's MWBE Program. It is also the platform New York State uses to monitor state contracts and MWBE participation.

GETTING STARTED

To access the system, you will need to login or create a user name and password at https://ny.newnycontracts.com. If you are uncertain whether you already have an account set up or still need to register, please send an email to the customer service contact listed on the Contact Us & Support page, or reach out to your contract's project manager. For verification, in the email, include your business name and contact information.

VENDOR RESPONSIBILITIES

As a vendor conducting business with New York State, you have a responsibility to utilize minority- and/or womenowned businesses in the execution of your contracts, per the MWBE percentage goals stated in your solicitation, incentive proposal or contract documents. NYSCS is the tool that New York State uses to monitor MWBE participation in state contracting. Through the NYSCS you will submit utilization plans, request subcontractors, record payments to subcontractors, and communicate with your project manager throughout the life of your awarded contracts.

There are several reference materials available to assist you in this process, but to access them, you need to first be registered within the NYSCS. Once you log onto the website, click on the Help & Support >> link on the lower left hand corner of the Menu Bar to find recorded trainings and manuals on all features of the NYSCS. You may also click on the "Help & Tools" icon at the top right of your screen to find videos tailored to primes and subcontractors. There are also opportunities available to join live trainings, read up on the "Knowledge Base" through the Forum link, and submit feedback to help improve future enhancements to the system. Technical assistance is always available through the Contact Us & Support link on the NYSCS website (https://ny.newnycontracts.com).

For more information, contact your project manager.

Minority and Women Business Enterprise (MWBE) - Instructions and Requirements

All required forms are included in this packet and can also be found at http://www.agriculture.ny.gov/MWBE.html. Questions should be directed to the Department's MWBE Liaison at mwbe@agriculture.ny.gov or 518-457-4619.

For contracts/purchases greater than \$25,000, contractors are required to submit a MWBE and EEO Policy Statement & either a MWBE Utilization Plan or a Request for Waiver prior to contract execution.

MWBE EEO1 MWBE AND EEO Policy Statement

By signing the MWBE EEO1 MWBE AND EEO Policy Statement the Prime Contractor acknowledges and accepts the NYS MWBE and Equal Employment Opportunity policies set in their contract. All contractors must confirm their acceptance of these policies by signing the statement at the bottom of the first section.

When completing the Goal Statement portion of the form, the percentage amounts should reflect the MWBE goals found in either *IFB-Section 5.3*, *Attachment A-1-Program Specific terms and Conditions* (Grants Gateway contracts) or *Appendix E* (most other contracts). The MWBE Liaison can assist you if you have difficulty locating the contract goals.

Identifying New York State Certified MWBE vendors

The standard Department goal is a total of 30% MWBE participation with 15% assigned to NYS Certified minority-owned business enterprise ("MBE") and 15% assigned to NYS Certified women-owned business enterprise ("WBE"). The Prime contractor must search the Empire State Development Corporation's Directory of Certified MWBE Vendors at https://ny.newnycontracts.com/Default.asp?TN=ny&XID=5320MWBE to locate possible vendors.

If a NYS Certified MWBE vendor is found:

The MWBE EEO4 MWBE Utilization Plan must be completed and submitted by the prime contractor.

If a NYS Certified MWBE cannot be found or the prime contractor can only meet a portion of the goal, a total or partial waiver of the 30% goal may be requested.

The *MWBE EEO5-1 Request for Waiver Form* must be completed and submitted by the prime contractor. In addition, the prime contractor must demonstrate their need for a waiver by also submitting one of the following forms:

- a) MWBE EEO5-3 MWBE Contractor Good Faith Efforts Certification The prime contractor must clearly illustrate the attempts made to identify certified MWBE vendor. This can be written at the bottom of this form or can be provided on a separate memo and should include documentation compiled during the search.
- b) **MWBE EEO5-5 MWBE Contractor Unavailability Certification** This form is only to be used if a MWBE opportunity was identified but they will not perform the work. Please discuss the use of this form with the MWBE Liaison prior to submitting it.

Exemptions and exclusions must be approved by the State, prior to the contractor beginning work on the portion they are requesting be waived of goals.
