Take your picture while sitting behind the wheel of a troop carrier. Collectors will be there to answer questions. There will also be an information fair at Chevy Court Pavilion, and a special guest speaker in the Empire Theater.

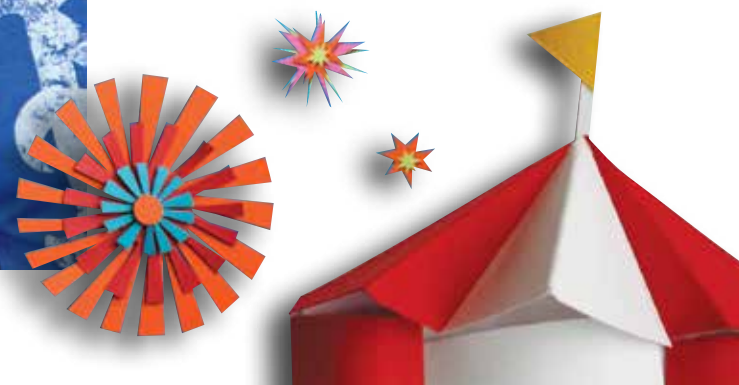

## New Discount Days

Our Dollar Day on Labor Day special event was such a hit last year that it's back along with other great deals. Three Dollar Thursdays feature \$3 admission to the Fair, making those days among the best values ever. See our Special Days information on page 9 for details on all special days and promotions.

## A Call to Arms

**NEW!** The Fair's first-ever Arm Wrestling Tournament takes place outside the Toyota Coliseum on Sunday, Sept. 6. Some of the state's strongest arms will be there, but there's room for amateurs to sign up and enjoy the fun, too.

# FANTASTIC FAIR FARE

## BRING YOUR APPETITE

The No. 1 reason people come to the Great New York State Fair? Food! And this year, there are more reasons than ever to bring your appetite. The old standbys are still here, but this year, they'll be joined by new tastes for everyone from the health-conscious to individuals with more adventurous palates.

## NEW! VEGAN AND VEGETARIAN FOOD

**NEW!** You've asked for some healthy options to go along with the deep-fried goodies, and we've got an answer for you: Strong Hearts Café, in the International Building. The acclaimed vegan/vegetarian restaurant brings its signature focus on great taste to the Fair. Everything on the menu is 100% vegan and 1000% delicious. You'll love their non-dairy milkshakes, including a new flavor especially for the Fair. And they've even brought the deep fryer, for their Vegan Wings.

## GET A TASTE OF NEW YORK

Since its debut in 2013, the Taste NY Tent has been a hit. Taste NY is the state's effort to link consumers to the best products made and grown right here in New York State. Visit the tent, just inside the Main Gate, for free samples of food and beverage products while you meet the people behind those products. If you like something, you can buy it right then and there. The Taste NY Marketplace, across the street from the Taste NY Tent, carries even more delicious products from around the state. And if you come to the Fair more than once, visit the Taste NY Tent again because the vendors change daily. You can't beat free food, and you're sure to find something new for your kitchen.

## SOMETHING SWEET

**NEW!** The \$1 Baked Potato with all the toppings is back, and it's got a new partner this year. Right next door in the Horticulture Building, you'll find a \$1 sweet potato for sale. The sour cream and maple syrup toppings are all New York-made. Baked potato or sweet potato? Why choose? Have both!

## DEEP-FRIED WHAAAAAT?

**NEW!** Meet The Defibrillator! It's a half-pound of Angus beef, deep-fried, with six strips of deep-fried bacon, cheddar cheese and deep-fried pickles, between two grilled cheese sandwiches. It's one of a number of crazy new deep-fried delicacies for you to explore at the Fair, from several of our most creative vendors. You can't eat like this every day, but you can do it once a year – at the Fair! (Trip to heart specialist not included.)

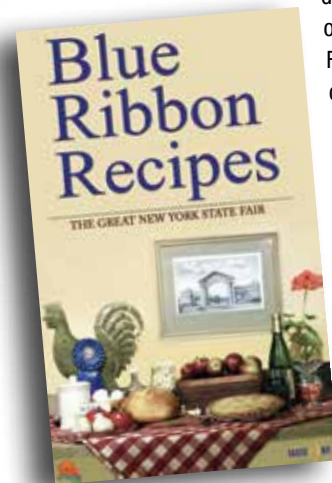

## WHITE OR CHOCOLATE?

There's nothing better on a hot summer day than a cool drink, and there's no better value anywhere than the 25-cent cup of perfectly chilled white or chocolate milk at the Rainbow Milk Bar in the Dairy Products Building. Inflation hasn't changed the price of this State Fair classic in many years, which makes it a better value every year. And it tastes great!

## TASTE THE FAIR AT HOME

**NEW!** Every year, home chefs from around the state compete to see who can make the best dish in a wide variety of culinary categories. For the first time, we've compiled some of the best all-time recipes from the culinary competition. # WELCOME!

The Great New York State Fair is a truly one-of-a-kind event that should not be missed. As the largest annual celebration of our state's world-class agriculture, the Fair gives visitors a chance to experience many wonderful things about New York. From the Taste NY Tent and Marketplace near the Main Gate, to the Taste NY Beer, Wine and Spirits Bar at the Colonnade, the Fair has plenty of opportunities for you to sample what our state's producers have to offer. From 25-cent milk and \$1 baked potatoes to fresh maple syrup and honey, the full diversity of New York's agriculture can be found at the Fair. These are some of the best homemade, home-grown products around, and they're sure to become fast favorites once you try them.

We're also working to make the Fair larger than ever, with \$50 million to transform the Fairgrounds and add new, modern attractions. This is the first major renovation in a century, and it's one that will open the door to year-round opportunities for visitors and businesses alike.

So whether you've never been before, or you're a long-time visitor, I encourage you to check out the Great New York State Fair this summer. You'll find unique entertainment and culture around every corner, and have the chance to taste the best that our state has to offer. On behalf of all New Yorkers: best wishes for a wonderful, memory-making experience.

**Andrew Cuomo,**  
New York State  
Governor

Welcome to New York's annual celebration of the best of agriculture. The Great New York State Fair began its life as an agricultural exposition and, 175 years later, it still is. Here you'll find many kinds of farm animals (except chickens and other fowl this year because of the threat of spreading Avian Influenza). You can witness the miracle of birth in the Cow Birthing Center. You can enjoy fresh local milk at the Rainbow Bar for just a quarter, as always. And you can taste some of the best products grown and made in New York in the Taste NY tent. New York is one of the nation's most important agricultural states, and that's a great reason to celebrate at the Great New York State Fair!

**Richard Ball,**  
Commissioner,  
New York State Department of  
Agriculture and Markets

On behalf of the men and women who work all year to throw New York State's best celebration, I want to welcome you to the nation's first and oldest state fair. We've kept all your favorite events and activities and have added new things for you to enjoy. We've put together what must be the best lineup of free music at any fair in the country at Chevy Court this year. We've added a baked sweet potato with New York toppings to the \$1 baked potato bar. You'll find a brand-new way to interact with horses at our new Equine Avenue exhibit. In short, you're likely to find something new and fun around every corner. Here's hoping your day at the Fair creates wonderful memories that last a lifetime!
