

RFP 0142
Services to Support the NYS Soil and Water Conservation Committee (State Committee)
Nonpoint Source Outreach, Education, and Communications Program within the NYS
Department of Agriculture and Markets

Questions and Answers

Q: Can you provide a target salary, or a salary not to be exceeded for this position?

A: The work under this position would equate to an SG-18, which has a starting salary in the range \$52,293.

Q: In the question regarding contract experience where you want the Contract # and start and end dates listed, how many years would you like districts to go back?

A: Describing contract experience is up to the applicant. You should describe enough to prove to the evaluators that the District has ample experience in contracting with NYS. It is important to answer the question to reflect the diverse types of contracts that the District has successfully implemented with the State of New York.
