

**STATE OF NEW YORK
DEPARTMENT OF AGRICULTURE AND MARKETS**

**AGRICULTURAL AND FARMLAND PROTECTION PROGRAM
ANNOUNCEMENT REGARDING PROPOSALS SUBMISSION DEADLINE**

In view of the substantial transportation-related problems resulting from the recent and widespread torrential rains, the Department of Agriculture and Markets has extended the deadline for receipt of proposals for Farmland Protection Implementation Projects. **The new deadline established by the Department for receipt of the proposals is Monday, July 10, 2006, at 4:30 p.m.**

This additional time will enable all delivery services to be able to promptly deliver your proposal package to the Department as well as to enable those intending to personally deliver their applications to the Department to have ample time to find an alternative route to do so.
