Applicant Webinar – Round 14 FPIG RFP

Eligible Applicants for this RFP

- (1) any county agricultural and farmland protection board in a county with an approved county agricultural and farmland protection plan

OR

- (2) any municipality which has in place a “local farmland protection plan”²

OR

- (3) any not-for-profit conservation organization that will assist a county or municipality to implement a county or municipal agricultural and farmland protection plan approved by the commissioner

OR

- (4) any soil and water conservation district that will assist a county or municipality to implement a county or municipal agricultural and farmland protection plan approved by the commissioner

² A “local farmland protection plan” may include a town, village or city comprehensive plan as defined in the Town Law, the Village Law, or General City Law, if such plan includes an element which considers agricultural uses and needs; an open space plan adopted by the municipality which presents strategies for the preservation of viable agricultural land; or any other formal agricultural and farmland protection planning document *provided that if the plan was developed on or after January 1, 2006, it must comply with section 324-a of Article 25-AAA of the Agriculture and Markets Law. Any applicant intending to submit a proposal for the first time for a proposed farmland protection implementation project is urged to contact the Department regarding the applicant’s eligibility prior to submitting its proposal. (Refer to page 5 of the RFP.)*

Applicant Webinar – Round 14 FPIG RFP

Eligible Projects for this RFP

Perpetual conservation easement(s)

NOTES:

- (i) Each proposed project must be associated with viable agricultural land that will result in a perpetual conservation easement.*
- (ii) Location of each proposed project must, at a minimum, be consistent with the location of any land or areas proposed to be protected in a county's or a municipality's agricultural and farmland protection plan.*
- (iii) Each proposed project shall involve only **one** (1) Farm Operation (as that term is defined in Section 301 of Article 25-AA of the Agriculture and Markets Law). Any proposal involving more than one (1) Farm Operation shall not be considered for funding under this RFP.*
- (iv) Publically owned lands or lands subject to an existing conservation easement (regardless of its duration) are not eligible under this RFP.*

Match Contribution Requirements and Associated Stipulations for Conservation Easement Projects ³					
Maximum State Award	Maximum State Contribution	Other "Caps" on State Contribution	Minimum Local Match		Other State Requirements
			%	Cash	
\$2,000,000	87.5% of total project costs	\$10,000 per easement toward easement stewardship	12.5% of total project costs (solely from landowner)	None specified	Use of Department conservation easement
\$2,000,000	75.0% of total project costs	\$10,000 per easement toward easement stewardship	25.0% of total project costs	5.0% of total project costs or \$5,000, whichever is less, and entire amount shall not be provided by landowner (waived if development rights value fully donated)	Use of Department-required conservation easement provisions provided remainder of conservation easement "shall not unreasonably restrict or regulate Farm Operations in contravention of the purposes of Article 25-AA of the AML"
\$500,000	25.0% of purchase price plus all transaction costs	\$10,000 per easement toward easement stewardship	remainder of all project costs	Federal farmland protection grant award	Purpose of conservation easement will (minimally) ensure that the land remains available for agricultural use

³ Perpetual conservation easements that result from a PDR or a TDR transaction or from the donation of the full value of development rights are all acceptable as an eligible **Conservation Easement Project** under this RFP.

Project Deliverables – Conservation Easement Projects

Preliminary Review

All Conservation Easement Projects must receive the Department’s preliminary approval before compiling a project file.

To be submitted within 3 months after receiving Department notification of State approval of your awarded contract:

- (1) **Title report *plus* title curatives letter** from Grantee attorney;
- (2) **Draft conservation easement(s)**; and
- (3) **Site plan** (*only if* it has been modified from that represented in grant proposal) associated with each draft conservation easement.

NOTE:

- (i) *Preliminary review may include site visit by Department’s Farmland Protection Program Manager, Grantee and participating landowner(s) to review the proposed site plan. If inconsistent with Department guidance documents or otherwise deemed unacceptable **and** unable to resolve to the satisfaction of the Department, the Department may terminate the funding agreement and withdraw the State award.*
- (ii) *Department review of the title report and title curatives proposed by the Grantee’s attorney at this stage will help ensure that substantive title matters are properly resolved early in the overall process.*

Project Deliverables – Conservation Easement Projects *(continued)*

Project File

To be submitted within 18 months after receiving Department notification of State approval of your awarded contract:

- (1) **Landowner Letter(s) of Intent to Convey Conservation Easement(s) on Viable Agricultural Land** signed by each owner of the subject land;
- (2) **Financial Worksheet;**
- (3) **Appraisal report;**
- (4) **Final draft conservation easement(s);**
- (5) **Certification of Title Curatives** from Grantee attorney ***plus*** associated attachments; and
- (6) **Waiver (of preliminary/final notice of intent)** (*only if* subject land is in an agricultural district AND *only if* Grantee is a governmental entity).

Project Deliverables – Conservation Easement Projects *(continued)*

Final Report

To be submitted within 120 calendar days after receiving interim payment #2:

- (1) **Conservation Easement Closing Certification;**
- (2) **Title insurance policy;**
- (3) copy of each recorded **Conservation Easement;** and
- (4) **FPIG Project Closing Statement** spreadsheet *plus* supporting documentation.

NOTES:

- (i) *If Final Report is not submitted in a timely fashion or if it is not deemed acceptable, the final payment (equivalent to the State contribution toward (1) easement stewardship and (2) easement defense liability insurance (if applicable), per each conservation easement comprising the project) shall be retained by the Department.*
