

Question: Are you just tagging the crates or the content inside as well?

Answer: We are just tagging the crates.

Question: For crate tracking, what is your preferred technology: UHF or HF?

Answer: We prefer the technology that best meets the needs of the project in terms of overall **performance**, efficiency, accuracy, and cost.

Question: What is the reading range you are looking for?

Answer: We are looking for a reading range of 1.0 meter or more. See RFP, page 7

Question: Do we have to follow any wage rates for New York on our employees used on this project?

Answer: There is no New York State mandated wage rate for employees working on this project.

Question: I have the complete RFP. However which forms are required for initial proposal? Some forms seem like they are not needed for initial proposal.

Answer: Attachment 3 -Non Collusive Bidding
Attachment 4 -MacBride
Attachment 5 -Contract Responsibility Questionnaire
Attachment 6 -Consultant Form A
Form 2 - Offerer Affirmation & Offerer Certification
